2010 Fire Protection Expo Thursday – March 11, 2010

The Colorado Fire Protection Association will hold their annual Fire Protection Expo for the Fire Suppression Industry, Fire Departments, the entire Design and Construction Community and Building Owners and Managers on Thursday, March 11, 2010

Take some time from your busy schedule and take a look at what's new - and meet the experts. This will be a good time to get those fire protection/suppression questions answered.

Who should attend? Sub-Contractors; Designers; Engineers; Building Inspectors; Fire Marshals; Supervisors; Project Managers; General Contractors; Home Builders; Estimators; Building Owners; Developers and Building Managers

What's New? Apprenticeship Competition - Participants will cut, thread and put together a loop assembly using a power machine and Tri-Stand. Each competitor will be given a complete drawing of the loop assembly. They will be judged on accuracy, craftsmanship, safety and results of the air test.

Location: DoubleTree Hotel
3203 Quebec Street, Denver, Colorado 80207

Exhibit Hours: 2 pm - 7 pm - food/cash bar and more!

Cost: Admission is free; you are guests of exhibitors and CFPA

Plan to attend and see the newest and best equipment, supplies and application methods in the business. Our exhibitors have lots of surprises in store. Don't miss this opportunity to meet old friends and make new ones. It's also a good time to find the latest in the fire protection industry - you will be more productive when you keep up. You will be surprised at "What's New"!
